Note

A Regulation for the
Management and control of
Hackney Carriages in the
C & M Stn of Bangalore was
passed by the Government
of India in Foreign Dept
Notfn No 1088 I. dated
27 October 1882.

2. As required by Sec: 3
of that Regulation, subsidiary
Rules for the Regulation
and control of Hackney
Carriages were framed by
the Municipal Board and
were confirmed by the

* Supp A 12

2 Memo: Resident in his Notification * No 10 dated 24th October 1884, and it was stated that the Rules should come into force on 1st April 1885.

* Sup B.

3. In the Rules it was provided that the Inspector of Hackney Carriages shall have power to Examine all such Carriages before Registration, to enter any premises in which Hackney Carriages are kept for purposes of inspection, to institute prosecutions for breach of the Rules &c.

4. A provision of Rs 30 per mensem has been made in the Municipal Budget for the current official Year for an Inspector of Hackney Carriages, and a person named Mirza Raja Ali appears to have been appointed Inspector on the

12

11th April 1885.

5. At the meeting of the Municipal Board held on the 25 April 1885, the Dy Supdt of Police moved a Resolution to the effect that the pay of the Hackney Carriage Inspector be raised from 30 to 50 Rs a month, as the former amount was entirely inadequate for the work Expected from that officer. The proposal was sanctioned by the Board with an addendum that the matter be left entirely in the hands of the President. The President now requests the sanction of the Resident to the increase of pay proposed.

6.- Mr. Newton suggested in a letter[x] No. 44/13 dated 7th May 1885 addressed to the President, that if funds be available, a Horse allowance of Rs: 10/-

[x] Enclosed in the letter now under disposal

4. also
an increase be given to
the Inspector. But as this
point has not been referred
to by the President in his
letter, it does not,
it is submitted, require
any notice at present.

Signed.

7. As regards the
proposed increase of pay
from 30 to 60 Rs, it is
submitted that as both
the President & the Dt Supdt
of Police are in favor of
the proposal, there is no
objection to its being
sanctioned. But as
it has been found from the
Municipal Budget which has
been recently under
consideration that there
will be a deficit and
that certain items will
have to be cut out of
the Budget, it is doubtful
whether the increase can
be sanctioned this year.

Under the circumstances [illegible] 19.5.25

by the Invt. on the Budgt. I do not think there will be now a deficit. I any how this a matter in which we must be chiefly guided by the views of the Insptr. and Comrs. and we may sanction the 20/- increase.

22/5.

8. There will be no deficit in the Municipal Budgt. as the Transfer of a portion of the local cesses has been sanctioned by the Resident.

9 A draft sanctioning the proposed increase to the pay of the Hackney carriage Inspector is submitted for approval.

FILE No. 410 of 1885

Letter No. 7-1557 dated the 2nd April 1889, from the President M.C. civil & military station, requesting sanction to the entertainment of two Constables at Rs 7 each per mensem, & an assistant to the Hackney Carriage Inspector on Rs 15, for the better control of the Hackney Carriage stand. The proposal for the entertainment of this additional staff emanated from the D.S.P & was with the concurrence of the Board. In the revised budget which has just been passed provision has been made by Col Hayratt for the additional staff

in question which may be sanctioned.

Letter to the President. re Sr Station issued. S.N. 4.
10/4/89.

In letter N. 1226 dated the 5th January S.N. 5
1893, the President, Co. Sr Station Municipality,
requests sanction to the employment of
4 additional constables for the better
working of the Hackney Carriage Regulations.
The present establishment is as follows

1 Hackney Carriage Inspector - 50+15
1 Assistant — Do. — 15
2 Constables — at 7 each.

The Dy. Supt. of Police represents in Rl. N. 5-A
that the two Constables now employed are
insufficient to cope with the work. There
men have enough to do at the new market
just the stand. The four more men now
wanted are for:-
1 for serving notices, attending Courts &c.
1 for Cant. Railway Station
1 . City — do —
& 1 for Ulsan Jutka Stand.

The Commissioners have approved the proposals. It is however, not explained why one constable is required at the City Railway station which is within the limits of the Mysore Division. There is a Railway Carriage Regulation in force in the Bangalore city similar to that passed for the C & M Station & the City Municipality must take steps to have their own Constables at the City station to see that the provisions of the Regulations are complied with. There seems no necessity to detail our men at the City station which is beyond the limits of the Station Municipality. If approved, Mr. Hewetson may be asked d-o. about this. In other respects, the proposals may be

Launched, the charge for the current year being met from savings at the close of the year as proposed.

Submitted for favourable orders.

Dated 30th November 1892

No. 528/40

Sir,

I have the honor to bring to your notice that the two Constables now attached to the Hackney Carriage Establishment are employed, for serving notices and for duty at the New Market Just the Stand, this Standing, in itself, requires the men to be always present, but Even if the men were not need for serving notices, they will be on several occasions absent from the Standing in taking drivers disobeying the rules to the

Station, and being at Court giving
Evidence against such persons.
I consider a 3rd Man is necessary
for Miscellaneous Work, and to
be available for relief of the men
when called away on duty.

In addition to the third Constable
alluded to as being necessary, one
is essential at the Cantonment
Railway Station and one at the
City, at both places a number
of carriages of the 1st 2nd & 3rd Class
attend, in fact both places are a
standing for carriages for Several
hours during the day, and not
unfrequently non-licensed drivers
with non-licensed Conveyances
do a trade.

The Ulsan Standing for
3rd Class Conveyance has con-
-siderably increased and a man
here is also Essential.

In all, I require for the more
proper carrying out of the
duties Connected with Hack-
-ney Carriage Regulations,
and

and Rules, 4 Constables on Rs 7, their pay and clothing can be met from the Revenue derived from Hackney Carriage Fees, which amounts, on the average, to Rs 2213-10-8 a Year, Expenditure being Rs 1639-1-8.

For the aforesaid reasons I request the favor of your Sanction to the Entertainment of the said 4 extra men placing the matter if necessary before the Board.
